

Before you collaborate

A little bit of preparation goes a long way with this session. Here's what you need to do to get going.

Define your problem statement  
what problem are you trying to solve?Frame your problem as a How Might we statement. This will be the focus of your brainstorm.

Brainstrom  
Write down any ideas that come to mind that address your problem statement.

10 minutes

TIP  
You can select a sticky note and hit the arrow button to send it over to your group!

Group ideas

Take turn sharing your ideas while clustering similar or relates notes asyou go .In the last 10 minutes, give each cluster a sentence like label. If a clusteris biggerthan six sticky notes, try and see if you and break it up into smaller sub-groups.
